[Local Food Business Networking Event!](#) [5]

This "business-to-business" local food networking event is for local producers, processors, restaurants, caterers, retail stores, and institutions looking to make business connections.

- farmers - showcase your product to 20-30 buyers from eastern GTA & Durham region. You will be matched up with buyers for targeted "speed-meetings".
- buyers - meet farmers in east central Ontario that are selling what what you need in targeted mini-meetings
- learn about 20 new & emerging crops
- enjoy a 3 course lunch at Bistro'67

This event is a partnership between the Rhizome Institute and Farms at Work, with funding support from the Greenbelt Foundation.

It is one of a series of three Trade Fare events offered by the Rhizome Institute in different regions. The final event will be held in Toronto during the Restaurant Canada Show.

Registration is limited, and pre-registration is required. Register [HERE](#) [6]

**** Optional ****

Sellers bring business cards, promotional flyers or samples if desired!
