Energy Efficiency Award Contest Announced by OSCIA

Are you farming on the greenbelt? Do you have a clever invention on your farm that saves energy? How about an idea that saves time and creates efficiency?

The Ontario Soil and Crop Improvement Association ([OSCIA](#) [1]), in partnership with the [Friends of the Greenbelt Foundation](#) [2], want to hear about your farming ingenuity.

Head on over to their [contest page](#) [3] to watch a clever Youtube video, and for all the contest details. To nominate your creative energy saving solution for a chance to win one of three cash prizes of \$1,500, [click here](#) [4] for the contest application.

If you aren't sure whether your farm is on the Greenbelt, [click here](#) [5] to see a map of the boundaries. Note: if your farm is on the Oak Ridges Moraine, you are on the Greenbelt.
