Farm Work Job Fair: Register Now!

Looking for on-farm work experience? Need to hire staff for the 2016 season?

Then join us on Friday January 15, 2016 in Peterborough for east central Ontario's first ever Farm Work Job Fair for the opportunity to meet and network with employers and job seekers from across the farming community.

Presented by Farms at Work, [Employment Planning & Counselling](#) [1], and the Trent University [Sustainable Agriculture & Food Systems Society](#) [2], with the support of the [Agricultural Management Institute](#) [3], the job fair will include a workshop session where speakers will provide helpful tips for employers and job seekers, including:

- Strategies for developing strong working relationships and avoiding pitfalls from a panel of successful farm employers
- The **Top 10** things to know about **Employment Standards** for Agricultural Workers in Ontario

This event is free for Job Seekers and \$20 for employers (which includes booth space). Pre-registration is required as seating and booth space are limited. Sign up today using the form below, or visit farmworkjobfair.eventbrite.ca [4] for more info.
