Local Food Month Officially Declared at the Peterborough Ex!

Farms at Work is excited to be attending the 171st Peterborough Ex! At the opening ceremonies yesterday evening Farms at Work, along with our Local Food Month Peterborough partner Transition Town Peterborough, was proud to receive the Official Proclamation of Local Food Month.

Come see us in the Innovate Ag Zone at the Memorial Centre to learn more about our Field Courses and other great resources for farmers. Also stop by the Gymnastics Building to find out how you can engage with Local Food Month, an excellent marketing opportunity for farmers in Peterborough County!
